

By Sandra: When I was ill, Emily Dotson prayed for me; with her permission I taped it; below is her transcribed words:

Father, in the name of Jesus, I know your power is over all the devils power, and that you delegated to me of your power, yet power is useless until enforced. So, Lord I will enforce it. When I speak Your Word, it's sharper than a 2-edged sword. When I speak the Word it cuts demons out! They have no chance! I have power over all devils when I enforce Your Word. Your Word is so powerful it gives me authority to trample all devils under my feet! From now on, I will trample them under my feet. With my authority, I'll say "Devil, you are powerless over me! Jesus whipped you; He gave me power over you! I am not deceived. Satan's only power is deception! The truth is, he has no power over me, unless I fear and give in to him.

I will not give him power over me or take on his spirit of fear by believing his lie so he has no power over me. No, he does not! Jesus redeemed me from the curse! I don't have to put up with pain. Pain is deception's lie. I have the truth of God's Word that sets me free! I'm coming out of a devils trap and I will never submit to his lie again! The truth is setting me free from deception. I don't have to take pain meds now. I know God's Word is my medicine; it is so powerful that by using it, I can tread those pain demons under my feet! I say, "Devil, you WILL NOT get away with putting pain on me anymore. I will speak to my pain mountain and I will not fear, or doubt in my mind or in my heart again, but I will believe that I can talk to my pain mountain and it will obey me! Jesus said it would, and I know that He cannot lie. He is a trustworthy Savior!

I also know, devil-that you can't tell the truth! Jesus said you are a liar and father of lies. Every time you say that you are going to kill me or say cancer has power to kill me, I will laugh at you. I know that everything you say is a lie! I will laugh at you, because Emily is saying that the opposite of dying is living. So as you say that I'm going to die, that means I will live! So I will laugh and I will say, "Thank you, devil for telling me the lie, as Jesus said the truth is not in you. So it's opposite of all you're saying. The more you say the lie, the more it sets me free. Hooray!! Hallelujah! God is a good God! No good thing will he withhold from me because I will walk uprightly before Him. I will only listen to my Good Shepherd's Voice.

I will serve Jesus as long as I have breath in my body! I know I am not living on Earth just to serve myself. This is my training ground for heaven. I'm here to learn to serve Jesus and to help His people and take as many to heaven with me as I can and also to get God's people out of the devil's trap. I will serve Jesus and take care of myself as long as I live. I know my body is the temple of the Holy Spirit, so I will take care of my temple and treat it with Royalty because it houses God's Holy Spirit.

In my body's temple, dwells the King of Kings and the Lord of Lords. He is my king; He is my Lord. He is my healer. He is my Savior and He has already redeemed me from the curse. He is my bright morning star, the lily in my valley. He is everything to me! He is my life! He is my joy and my peace. His Word says "If the same Spirit that raised Christ Jesus from the dead is dwelling in me that it will bring me back to life! That Spirit redeemed me from the curse. So the same spirit living within me will raise me up too. I cannot stay afflicted! I will come out of my attack in Jesus' Name! I believe every word my Bible says and so I declare to decree what God's wonderful report says, now that I am redeemed. The price has already been paid. It is stamped in full so I don't have to suffer any more! I know the truth! God's truth is setting me free, yes, free indeed! ©

I also know the devil is not dead, that he is a thief, a robber, a killer and a liar! I know I must watch out for him and not fall into his trap. I will never be deceived again; my mind will stay at peace, because I will keep my mind on the Lord from this day onward. Thank you Jesus for redeeming me! I love you! You are my everlasting Joy and peace. I love you, Lord! I can only imagine what I will do when I stand before you as I may fall at your feet and say, "Oh Jesus, I wish I had done more for you in my past! From now on, Lord, I will make up for lost time, since you have given me peace and joy in the Holy Ghost.

I will labor for you Lord, with peace in my mind and joy in my heart. Oh, thank you Jesus! I bless Your Name forever more. Hallelujah! Let my body and my spirit explode with the peace and joy of the Lord. You are the Prince of Peace, and you are my Lord, the great I AM. Oh Lord, I thank you because you chose me to be your child, so I will obey your Holy Word, and I therefore command every Cell in my body, the Marrow in my bones, every Tissue, every Organ, every Muscle and Joints in my body to line up with the Word of God. My body must obey my command. Jesus gave me power and authority over all the power of the enemy; that means: I have power to talk to every malfunction in my body; it will obey me! As my body knows my voice, and will obey my command. The devil will obey my command also, so I say, "devil, get out!" You cannot afflict me any more. I don't live under your fear curse! I have been redeemed! The word says, "Let the redeemed of the Lord say so!" I say I am redeemed! The Bible tells me to say so, and so I will say so. I am redeemed! So devil, get out!

Hallelujah! Jesus has already redeemed me. Therefore, I will talk to my mountain. If the Creator of this Universe had to talk to His problems, then who am I not to talk to my mountain problem? I did have a problem, but now that I know the truth, I no longer have it, as I have given it back to the devil! When God wanted change, as when the world was in Chaos, as Satan had made Earth, a big mess. God spoke to the problem and said, "Light Be! Darkness flee! So Light came; what God spoke came into existence. God made a beautiful world. The devil made it chaos. I will not put up with his chaos now within my body! If God had wanted me to die sick, he would not have sent Jesus to redeem me. I know truth! Satan is my problem!

The Lord wishes above all things that I will be in health and that my soul prospers. I know if my soul prospers, (meaning my mind, thoughts and emotions), then my body has to prosper. It is all one together: my mind, my body, and my emotions. My mind is the control center, so I will take charge of my mind. I will do what the Bible tells me to do. Thessalonians says, we are to take charge of our mind. I will think about what is good and lovely and of a good report and that is what I will do. God gave me a mind and I have a will, so I will use them both to think on God's good report. I will take charge of my mind! I won't let devils control it. I will not meditate on the evil, or the negative report. Satan cannot take my joy. I will meditate the positive, so as long as I keep my mind stayed on the Lord, He will keep me in perfect peace! I will obey God's Word!

I will not entertain the deceiver's lie ever again. I know that as I confess this with Emily Dotson now on the phone, that she is telling me the truth that she has walked it out! Jesus said "The gates of hell cannot overpower His church." Now we are His church, so we must prove to the world the truth by a faith walk. The just must live by faith and not by sight. Jesus isn't a man that he can lie. Gates of hell cannot overpower His true church unless they allow it! God gave us a free will, so He will not override our free will. If He did override our will - we would have no choice. He made us in His image, so we now have a free will to choose what we desire. Yet, God loved us first, by giving His Son, Jesus - to pay our sin penalty and so He wants our love in return, without forcing us to love Him. So as we meditate on such great love, it changes our will toward His will.

We must exercise our free will and not let Satan deceive us, as then, he cannot kill us. He can't destroy us when we keep our mind stayed on Jesus, and surely not, as we have power and authority over devils. We have all we need, but we must know that fact before exercising our rights to enforce the Word on devils. Then we can talk to our mountain and stay in the Word and obey Mark 11:23-26, and forgive it all and get victory! Many people get healed, then get mad and DIE. If we get mad, the sun must not go down on our wrath! Satan will use it against us. God's ways always triumph over Satan's ways! I must forgive and be obedient to God's Word. Then, I can orally speak to the pain spirit in my body with my authority, in the Name of Jesus! I will plead the Blood of Jesus over my body daily, as His Blood never has lost its power, and it never will!

I now thank Jesus daily for 39 stripes He took on His back for me. So I say, Lord, Your Word says in Isaiah 53:5 that by Your stripes I am healed; 1 Peter 2:24 says that by your wounds I was healed. That's two witnesses, Lord, the Word says that in the mouths of two witnesses everything is established. We are the healed of the Lord with Satan trying to kill. Authority in the Spirit realm is earned by standing on the Word. Faith is powerless until it's tried by fire. A trial of faith is more precious than pure gold! The more our faith is tried, the stronger it gets; it's like steel tried in a fire furnace. Faith is powerless if it's untried. Tried and exercised faith links trust up with our Creator God, and as faith is tested it is strengthened by the Lord.

See Joshua 1:8; Psalm 1:1-3 and Ephesians 6:10-18. Put on the whole armor of God that you may be able to stand against the wiles of the enemy (his lies, his traps, his tricks). The Bible says he is the great deceiver. When we look on him when we get to heaven, we will say, "Is that the one?" We will be shocked to see that he was powerless because Jesus stripped him of all power when He went into hell and made a show of him openly. He whipped him and defeated Satan and when He came back from hell He held the Blood-stained banner high with the keys to hell, death and the grave in His Hands, and He said, "Now all power and authority has been given unto me both in heaven and Earth. Then He delegated of His power to the church. He said in Luke 10:19, "Behold, I give unto you, (meaning me,) authority and power to trample serpents and scorpions, under our feet, [physical & mental strength and ability] over all the power that the enemy [possesses]; nothing shall by any way harm me." Jesus gave us power and authority over **all** the power of the enemy." That includes **all**, every thing the devil can ever throw at US! **However, this power is unless until we speak or enforce the Word; it is the sword we use with our mouth, because that is the only way the power is executed against the enemy, is through spoken words.**

God's Word is a two-edged sword. It cuts devils coming and going. I think they don't hear your voice; they hear the voice of Jesus because Jesus and His Word are one and the same. (See John 1:1-14). In the beginning was the Word and the Word was with God and the Word was God, (which is Jesus). He became flesh and dwelt among man. Jesus is the Word and He

and the Word are the same, so as you speak His Word, the devil has no option but to tremble and back off. I think he hears Jesus, and he knows who Jesus is. So, therefore, every day of my life, I will say, "devil, I am the church. I have power and authority over you, because Jesus delegated to me of His power. So, I have power and authority over you and I will not be denied my rights! I have a right to verbally speak and enforce the sword of the Word on you. I'm redeemed and I say so!

I will daily put on the whole armor of God, as I wrestle not against flesh and blood, but against principalities, powers, evil rulers and authorities of an unseen world; against mighty powers in this dark world and against evil spirits in the heavenly places, so they attack me in the battleground of my mind. If I meditate what the devil suggests, he will put it on my body. That is why I must take charge of my mind and keep my mind stayed on the Lord. I know who I am in the Lord, and I know the devil is a sore loser that does not have power over me unless I fear him, as then I give power to him. So since I know these things I can take my rightful place and tell the devil that I know who I am, and that he is defeated. As he has no more rights, so he must go. I will use my authority and keep telling the devil - I am not deceived; his power over me is broken.

Therefore, I am able to take the whole armor of God and put it on so that I can withstand in the evil day and having done all to stand, I can stand therefore, with my loins gird about with truth and the breastplate of righteousness on. I will be in right standing with the Lord in every way. I will not deceive anyone, steal from anyone, bear false witness or stay angry with any body, etc. If I stay right standing with God, the devil can't penetrate my armor. My feet are shod with the gospel of peace, so the good news is that the devil is defeated in me! Therefore, I don't have to put up with the devils lies anymore!

Above all, I must take the shield of faith (in God, not in self), faith in' what Jesus did' on the cross. He took 39 stripes on his back, shed His Blood and said, "It is finished." He redeemed me. He paid for my redemption. I will not be denied my rights. I will not (any longer) put up with any sickness the devil afflicted me with. I will be able to quench all the fiery darts of the enemy. His darts cannot pierce the armor of God. No way can the devil destroy me! I will take the helmet of salvation (I'm healed, I'm saved, I'm blessed) and the sword of the spirit-(is praying by the spirit), praying the Word of God, (I speak it) and I will pray it-always, with all power and supplication in the Spirit. I will walk whereto with all perseverance, and yet, I must watch and not let the devil trick me in any way, shape or form. I will not let him in when this armor of God stays strong.

Jesus once said "The enemy comes but he finds no place in me." Between Him and the Father, things were right. He even forgave those who nailed him to the cross. When things stay right between me and my Father, the devil can find nothing in me. Through perseverance, and supplication I will pray to the Lord that an utterance may be given unto me so that I may open my mouth boldly and make long the message of the Gospel. I will open my mouth boldly and say, "Oh Hallelujah, the Word worked, yes, it worked for me just as it worked for Emily, and it works for any one that pays the price, and dies to self and puts their (fleshly self-will) on the cross, daily. "We really have no rights of our own. Our rights were all given to Jesus. Once, many years ago, as Emily was mistreated and she cried before the Lord, saying, "Lord, I apologized to her when she had told a lie on me, and it went through the church and Emily told Jesus how bad it hurt, as she had forgiven the lady and wanted to be her friend, but the lady had not responded. Jesus said, "What right have you got for it to hurt?" Emily heard Him clearly, but she asked Jesus, "What do you mean, Lord?" He said, "Aren't you supposed to be crucified with me on the cross?" She said, "Oh, Lord, that's right. I just haven't surrendered my feelings yet. Forgive me, I promise I'll not wear hurt feelings on my sleeve again, Lord." Since that time, Emily has had many opportunities to be hurt and even destroyed if she had not taken those past incidents and put them on the cross. So we must all die to our flesh of hurt feelings, and die daily.

Emily says we must say "Lord, I forgive them through You, as I can't do it on my own, Lord. Then Jesus removes that pain." He makes a way when there is no way. He brings you through the fiery furnace; He brings you through the flood. He brings you through everything you could ever dream that you could not go through. But when we come out on the other side, we will say, "Lord Jesus, Your Word worked! Hallelujah, Your Word works! You are not a man that you could lie. You can't lie." I will not entertain the devils lies! I will prove to the world that Your Word works! You said for me to talk to the mountain and command it to obey me and not to doubt in my heart, and that my mountain would obey me. Hallelujah my mountain is moving! So Lord, You said "Come unto me all you who labor and are heavy laden, I will give you rest. Take my yoke upon you and learn of me because I am meek and lowly. In me you shall find rest for your soul." So, I now rest in You, Lord.

If Satan tries to give me more pain or negative thoughts, I will say, "No, you don't devil! No way! I know that my authority. You are a liar devil! Jesus said, "My sheep hear my voice, another they will not obey!" I'm His sheep so I listen to His voice. He talks no negatives. Anything negative that I hear in my mind is NO way from God, as He never talks negative. I will only

follow Jesus' voice. I will reject the devil's report forever, here after. I will say, I cannot hear you devil. Jesus said for me to put you under my feet. I cannot hear you with my ears, you are under my feet! I will not listen to you anymore. Therefore, I will win this faith-battle within my mind. Once I do, I will know the dynamite power that God's spoken Word still carries.

Don't think Emily didn't talk this way. She says that she got real fast with the battle of the mind. She was fast on the draw. When the enemy tried to put negative thoughts in her mind, she'd say – NO! I'll not go there! She never let satan finish his report. She said, no, no devil, Jesus said His sheep hear His voice, so if we hear another voice we must say, GET OUT Devil! Other people may think we're nuts, but we know when the negative thoughts come, so we must say, no, no, I will not listen to the devil. We must have stubborn faith, and determination that we will not give up. Get Emily's bulldog determination.

Don't let the devil stop your rights. Then you won't quit or give up. Emily said her computer crashed over 2,000 times while she was typing her book! Sid Roth asked her why she never gave up. She said "I don't have give up in my spirit." If we knew all she has been through we would say, "My, my! Is she still alive!" Yes, she's still alive, going strong! She will be 80 in April of 2009. I don't know how she does it. Emily says, at times she may be tired, but that she refuses to quit. God's real soldiers must never turn back, nor quit, as they never throw in the towel. They show the world the Word is true! So the world will look and say, "Well, oh my, it is true. I never believed it worked!" As most people have not the grits to do it. They have no willpower or determination and they won't stand the test. They have jelly backbones, but remember - Emily doesn't quit!

So let's pray for more will power and determination daily, and pray, "Lord, not my will but yours be done. I know Lord, that You want me to live. I will not die, but I will live and declare the works of the Lord!" I will keep speaking the Word of God, and applying the Blood of Jesus to my body. I will thank God for the 39 stripes Jesus that bore for me, every day hereafter. I will praise Jesus and thank Him for being my Prince of Peace, my Lily in my valley, my Healer and my Bright Morning Star, as You are everything to me! You are my Joy and my Peace. Jesus, I love You and I will worship You for my renewed life. I will worship You as my Lord and my God. I will praise and worship You daily. Therefore, I will come out on the other side of this trial victorious as Emily did! I will keep Praising You daily for healing me! You are my Lord and my great Physician! Amen!
